1. Section divided into 2 Pools with split seeding. 3 round robin matches will be played
2. The player winning most games wins the pool. Every game counts.
3. Two players ending on same games and matches - individual tie between players determines position
4. Three players ending on same games and matches - remove 4th players results then apply 2 and 3 above. Still no result then points count out between tied players.
5. Players play 2 cross-pool matches. 1st & 2nd from each pool go into cross-pool for Position 1-4, 3rd & 4th from each pool go into cross-pool for Position 5-8.
6. Players carry the games won against the player going into the same cross-pool with them. The result also counts towards final position.
