### **COVID-19**

The pandemic had a significant impact on masters squash the past two years. But nonetheless we endured and played on. Notherns Masters was one of the few provinces in the country to host tournaments while in lockdown level 3, all within the guidelines provided by Squash SA.

### **SPORTY-HQ**

We fully embraced the SportyHQ drive and adopted it to create and administer all our events. This lightens the burden considerably regarding financial and administrative duties.

### **NSA GOLF DAY**

The NMSA Committee supported the excellent fundraiser golf day held at Wingate Park golf club. The Day was well organised and everybody enjoyed it tremendously.

### **Sponsored League** - Canceled

The committee decided to cancel the league due to the uncertainty re-covid restrictions.

## **FINANCIALS**

There was a loss of R 17 313. This can be attributed to the following:

- Low number of participants and 2 canceled tournaments due to covid.
- The committee decided to write off R 9 010 of debt being carried over for years.
- The Administration fees for Gerda.

Overall there is a solid positive bank balance of R 534 564

## **FINAL WORDS**

I think under the circumstances NMSA has had a great year and would like to thank all participants and sponsors. I also would like to thank the committee members for their enthusiasm, positive feedback and effort. Finally I thank Gerda for her tremendous contribution. It is the behind the scene efforts that make things happen.

Yours sincerely
