10 SCORECARDS (extract from the by-laws) – 2023

10.1 The Captain of either the winning or losing team is responsible for ensuring that the result of the fixture is captured on the online Northerns league administration system **within 2 working days** of the fixture and the onus is on both captains to confirm that the result captured is a true reflection of the actual result. Should the score not be confirmed then the score is considered to be correct. If the captured score is disputed, then NSA will ask both Clubs involved submit their version of the event. Any objections must be forwarded to the Association as soon as possible in order to keep the league administration system accurate and up to date. Both teams shall keep a copy of the official scorecards (Refer to annexure B) signed by both Captains for reference purposes.

10.2 If the result is not captured within two working days as specified in Clause 10.1, no points will be awarded to either team.

10.3 In the case of a “No-show” the missing player’s name and NSF number must still be filled in on the scorecard.

Note 1: Teams notified of a No-Show must inform the NSA Administration in writing (copying the opposing team). Failure to do so may result in penalties for a No-Show being enforced.

Note 2: Disputed scores queried by the Administration shall be done through the Club Representative. The onus is on the Club to provide a response and not the Administration to source the response.
