Provincial Participation and Selection Criteria – 2023

There are four official tournaments during the squash season where a player may be elected to represent the Province in an official team:

1. Margery Taylor South African Country Schools Squash Festival (SACF)

This festival is aimed at selecting combined teams from the smaller provinces to participate in the Inter-Provincial tournaments in June.

The SACF tournament serves as a development opportunity for our C and D teams where these players can get exposure to inter-provincial squash. This exposure may lead to higher achievements later on.

The teams range from u13 to u19 and consist of four players each. Players selected for these teams are still eligible for selection to represent Northerns in the Inter-Provincial teams. The NJSA committee encourages participation in this tournament from a development point of view.

Players need to play in official SACF clothing and qualify for half-provincial colours.

2. U11 Angela Difford Festival

This tournament is scheduled for the same time period as the Inter-Provincial Tournaments.

The teams consist of four players each and are aimed at developing the under 11 players in order to prepare them for participation in the future. As this is a festival there are no final team positions declared at the conclusion of the tournament.

Players need to play in official clothing (no tracksuits). However, due to the nature of the festival, players qualify for provincial half-colours.

3. SA Schools Inter-Provincial Tournaments (IPT)

The IPT is scheduled for the first week of the mid-year school holidays and is deemed to be the pinnacle of the squash season. Northerns teams in the different age groups play against all the other provinces, some foreign teams on invitation and the combined teams from the smaller provinces.

IPT's take place for u13, u14, u16 and u19 boys and girls. The teams consist of five players each, except for the Boys u16 & u19 B teams which have six players.

At the conclusion of the IPT's medals are awarded for 1st, 2nd and 3rd place.

2023 MANAGEMENT COMMITTEE

Donald Weir (Chairperson), Etienne Badenhorst (Vice-Chairperson), Saartjie Cromhout (Treasurer), Gerda Dreyer (Administration), Kelsey Cousins, Christo de Wet, Reinhardt Falk, Eleazar Kapp, Christo Oliver, Tracy Randall

Players may only play in official clothing as stipulated by NJSA and will receive provincial colours.

4. SA Schools u14B Inter-Provincial Tournament (IPT)

Dependent on entries, the u14B section IPT may take place in conjunction with the SACF. This will only be announced once the SACF dates are final.

This IPT has been separated from the main IPT due to the number of entries and cost viability.

Should the province consider the u14B teams to be strong enough, they may be entered into the u14A IPT as per 3 above.

Players may only play in official clothing as stipulated by NJSA and will receive provincial colours.

Selectors' decision is final

A player or parent may query any selection within 48 hours after the selection was announced by sending a mail to njsa@northerns.co.za with a motivation on why the selection is queried. If no query is received within this time there will be no obligation on the NJSA to change the selection, regardless of whether it's later proven to have been an incorrect selection.

2023 MANAGEMENT COMMITTEE

The decisions of the selectors will be final and no explanation needs to be given for any selection decision.

Age Groups

A player plays in the age group that he or she is on 1 January of that year, e.g., if you are 13 on 1 January you play u14 for the year even if you turn 14 on 2 January.

Players must play according to their age group in the NJSA Closed and in the IPT's. Players must request written permission from NJSA to play in another age group if that tournament is to be taken into account as part of the player's meeting the qualifying criteria.

It is compulsory to play in your age group for all SA Selection tournaments.

A player may apply with the committee before 31 December to play in a higher age group for the following year. An application will only be considered if the player has been ranked SA number 1 the season prior. Other criteria will also be considered and if supported by the province the application will be forwarded to SA Schools Squash whose decision will be final.

Representing NJSA at IPT's

Tournaments are a team sport and as such teams are compelled to travel to, during and stay together at the IPT.

The tournament and accommodation costs are determined by SA Schools Squash and NJSA arranges the travel and logistics. The team manager's cost is added to the tournament and accommodation cost. All endeavours are made to ensure that the cost is kept as low as possible.

Clothing is compulsory for IPT's and is advised prior to every IPT.

1. NJSA playing shirt with the Daisy.
2. NJSA boys' shorts with the Daisy.
3. NJSA girls skort/dress with the Daisy. No shorts are permitted.
4. NJSA tracksuit with the Daisy.

Players are required to wear the NJSA tracksuit or clothing as prescribed by NJSA when travelling, for official functions and team photographs.

Players selected for NJSA IPT teams are required to attend a minimum of 2 out of 3 squad training sessions that will take place over the weekends prior to the IPT. These sessions are 90 minutes each.
